

A black and white photograph of a hand holding a stack of books. The hand is positioned at the bottom, supporting the books. The books are stacked vertically, with their spines visible. The background is dark, and the lighting highlights the texture of the books and the skin of the hand. A white rectangular frame is overlaid on the books, containing the title text.

ICE CUBES

Metal Prints

The sleek, modern wall art and tabletop display option.

Metal prints are made using a dye sublimation process that infuses the image directly into a specially coated precision cut high quality aluminum sheet to create a HD aluminum panel.

The ultra-durable scratch resistant and light surface is water resistant and fade resistant. This unique process turns every image into a vibrant work of art.

METAL PRINTS: FINISH

GLOSSY

Experience vibrancy and depth of colour in your metal prints with our Glossy finish. Colors pop and details come to life with the white base and high gloss coating. This is an excellent finish for any subject matter.

MATTE

For portraits, weddings or anytime surface reflection is a concern, our Matte White finish is the optimal choice for metal photo prints. The surface provides a rich, smooth finish where colors can be muted.

SATIN WHITE

Satin White finish is the optimal choice for those who find a glossy finish too shiny, and a matte finish too dull. The surface provides a rich, smooth finish where colors can come alive with perfect subtlety.

METAL PRINTS: RECESSED BACK MOUNT

RECESSED BACK MOUNT

Metal photo wall art have a modern avant-garde appeal thanks to frameless hanging, giving the appearance that they are floating on the wall.

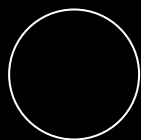

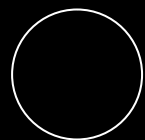

Each metal print comes with a ready-to-display framed mounted back.

8×10 and 8×12's are also available with a tabletop backing.

Folios

The best way to display your two favorite images in a bifold product.

Folios are ideal as an add on to gift with or without an album, presentation box or metal print.

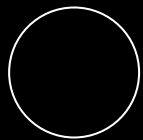

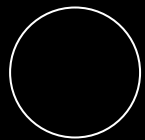

These are all handcrafted to order in our factory so you can opt for the same cover as your album or a different cover material.
